

CSHCS INFO #5-2014 - Family Center Director
Tue 3/4/2014

Team,

I am pleased to announce that Candi Bush will be the new Director for the Michigan Family Center for Children and Youth with Special Health Care Needs. Since 2007, Candi has been the Executive Director for Parent to Parent of Southwest Michigan (P2P), a non-profit community organization offering services to families who have children with disabilities or special needs. At P2P, Candi has been responsible for leading and implementing a comprehensive family resource center utilizing the Parent-to-Parent Model of support.

Candi has a Bachelor of Science degree in Family Life Education from Western Michigan University, and is certified as a Family Life Educator. Candi is also a parent walking the journey of raising children with special health care needs. Candi's professional and personal experience as a parent of children with special health care needs, and as Executive Director of P2P have prepared her with the necessary skills and passion to lead the Family Center for Children and Youth with Special Health Care Needs.

I am very excited to welcome Candi to the CSHCS team. Her first day will be April 29th. Please join me in congratulating and welcoming Candi.
